

Ready To Sell, **BUT DON'T KNOW WHERE YOU'LL GO?**

If you're thinking of selling your house but don't know what to buy, here are some options to consider.

Pros for **EXISTING HOMES**

Explore a wider variety of home styles and floorplans.

Join an established neighborhood.

Enjoy mature trees and landscaping.

Appreciate that lived-in charm.

Pros for **BUILDING A HOME**

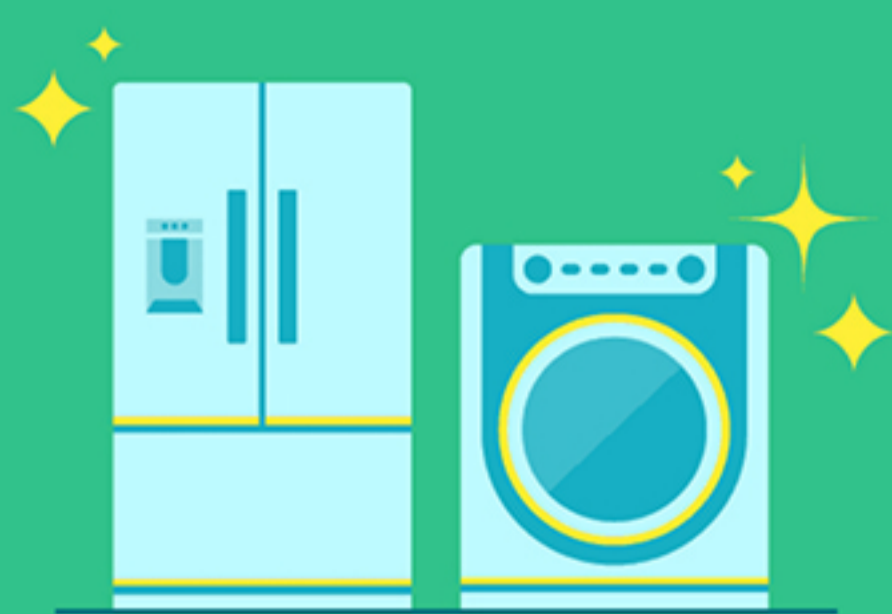

Create your perfect home from the ground up.

Cash in on energy efficiency.

Minimize the need for repairs and upgrades.

Know you have brand new everything.

Connect with a real estate professional today to go over the perks of both existing and newly built homes to find out what's right for you.
